

Pet Insurance, the smart way to protect your pet.

With convenient and affordable plans offered by Nationwide®, and provided by MetLife's group benefit program, you can help give your pet the best care possible. So, how does pet insurance work?

1. Understand what you're buying

Know what is covered and what isn't—before you need it. Get a clear understanding of how reimbursements and deductibles work.

2. Choose coverage

Do you need a policy for a dog, a cat, an exotic pet or an avian?

3. Pick a plan that works for you

Choose a complete care plan or go à la carte with medical or wellness coverage. Premiums and annual deductibles will vary by plan.

4. Enroll pets young and healthy

Pre-existing conditions aren't covered by any pet insurer. Enroll pets when they're young and healthy to help ensure maximum coverage at a lower cost.

5. Get reimbursed for vet visits

Pet insurance policies reimburse eligible veterinary expenses based on your plan's coverage.
